

17th May 2019

Dear Parents and Carers,

It has been another busy week here at Alt.

Year 6 SATs were challenging but we all tried our hardest in hope that all of the hard work would pay off. We are all glad the pressure is off and we can get on with the rest of year 6.

We were tested in:

- Spelling, punctuation and grammar
- Reading
- Maths arithmetic
- Maths reasoning

By Georgia H—Aristotle class

Year 2 SATs continue next week, good luck to our year 2's.

After a challenging and rewarding SATs week, Year 6 spent their Friday taking part in a post SATs celebration at Alexandra Park. We played football, had a picnic, played cricket and had fun on the park, Mrs Dickens brought us all up some delicious ice cream!

A well-deserved rest for our amazing Year 6 children.

Our year 2 classes have been busy with their Secret Agent training this week. Next week we will continue to offer breakfast in Noah class from 8.15am for children to socialise and prepare themselves for more training.

Next week is science week, we will be fizzing, popping and

banging our way through the science curriculum, investigating and experimenting different scientific phenomenon.

All of Year 6

Using her phonics in her independent writing.

Having a superb week in phonics.

For being resilient with his phonics.

For super effort in maths.

Fantastic attitude towards all his learning this week.

For displaying excellent behaviour.

A truly motivational and inspirational member of our class.

For fabulous perseverance and having confidence to 'have a go.'

For persevering through everything and making every effort to come into school smiling.

For being resilient when struggling in maths and trying her best.

For an OUTSTANDING SATs week—you're all amazing.

Next week the Life Caravan will be visiting school again, there will be lots of activities happening throughout the week for all our children.

Please respect our school premises and refrain from spitting as this is unhygienic and could spread germs. Thank you.
